

We have an exciting opportunity for an experienced Board Certified Behavior Analyst (BCBA) to take on a role as a Lead BCBA in the Northeast Philadelphia area. The successful candidate will have a small caseload (10 billable hours), supervise aspiring BCBA's, and manage some small projects. This is a chance to be part of a strong collaborative team while sharing your skills with others in a more senior role.

## About Acclaim Autism

We are a locally-owned company, passionate about improving the lives of children and families impacted by ASD. We focus on quality without answering to any corporate entity. Dr. Jennifer Quigley (LBS, BCBA-D, PhD) is our co-founder and Clinical Director. She has a strong passion for developing clinicians, improving service delivery, and applying research to further advance the field. We're improving service delivery with a focus on quality, training, employee development, and providing a great place to work. We take education and employee development seriously, and remove most of the administrative work from clinician's plates.

## Duties
